

NAFISAH

**DENTAL HYGIENE
PRACTITIONER (c)**

I am born and raised in Richmond and I am a proud graduate of Steveston-London Secondary school (formerly Steveston, Go Packers!) I joined the team at Bayview dental centre in 2017 after obtaining my three-year dental hygiene diploma from Vancouver Community College. I decided to further my education and completed my bachelor's in dental science (BDSc) from the University of British Columbia in 2019.

I love my career path as it enables me to educate and interact clients, utilize my clinical skills and continue to stay current on the latest dental trends and techniques. I pride myself in making sure all clients have a thorough and gentle cleaning and are at ease throughout their appointment.

In my spare time I enjoy staying fit by weight training, running and practicing yoga. I am a big foodie and enjoy trying out all sorts of cuisines, with brunch and dessert being my two favourite types of food. Any suggestions for local spots are always welcome. I also look forward to supporting local vendors by actively participating in the hot chocolate festival every year.
